

## Instructions to complete the COVID-19 Member Screening Checklist

Dear Employee,

Due to the COVID-19 crisis OPWDD has implemented safety measures to contain the spread of the virus. DSP's are now **REQUIRED** to complete the following screening to ensure the health and safety of all members and staff. **No session is allowed to begin before the completion of the following screening.**

Before starting any session, ask the member the following questions:

1. Have you or anyone in the household been tested and confirmed to have COVID-19?
2. Has a person in the home traveled to a country for which the CDC has issued warning in the past 14 days?
3. Have you had contact with anyone with known COVID-19 in the past 14 days?
4. Do you have any symptoms of a respiratory infection (cough, sore throat, fever or shortness of breath)?

**No Face – to - Face session is allowed to be delivered if any of these questions are answered yes. If a yes is answered to any of the above questions DSP should not perform a face-to-face visit.**
